

SCHOLARSHIPS AND FELLOWSHIPS PROGRAMME

The National Research Foundation (NRF) is pleased to announce provisional awards of scholarships and fellowships in the following categories for support in 2011:

- Nuclear Technologies in Medicine and the Biosciences Initiative (NTeMBI)

PLEASE NOTE : If a Scholarship has been awarded to a candidate in 2011 and the candidate was already in receipt of a Grant-holder-linked or DAAD or Scarce Skills Scholarship for the same degree in 2010, the Scholarship below will be withdrawn.
