|                                                                                                                                                                                                                                                                                                                                                                  |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>Instructions:</b></p> <p>An Abstract should be written in the space below, describing the work of both partners (French and South African).</p> <p>Applications should describe:</p> <ol style="list-style-type: none"><li>1. Objectives</li><li>2. Methodology</li><li>3. Significance of the proposed research</li><li>4. Mode of co-operation</li></ol> |
| <p><b>Abstract:</b></p>                                                                                                                                                                                                                                                                                                                                          |

## **PART IV - DETAILED DESCRIPTION OF THE PROJECT**

A Full project description should be submitted on separate pages.

**The following are required headings for this section:**

1. Detailed description of the subject.
2. Discussion of the scientific and technological background (including references and the relationship to previous research projects relating to the present proposal).
3. Specific objectives and expected significance of the research.
4. Methodology and plan of work. The respective roles of the co-operating partners in carrying out the proposed research plan should be indicated.

Record of preliminary results relevant to the proposals (not yet published).

Detailed account of available resources including all personnel and equipment.

Mode of co-operation between the French and South African research teams.

Bibliography relevant to the research area. If the bibliography includes papers submitted for publication or "in press", please attach pre-prints of such papers to each copy of the proposal.

**Note: Items 1 to 4 should be limited to a maximum of 5 pages.**

**PART V - TIME SCHEDULE AND WORK PLAN**

(Please outline on a separate sheet but following the format shown below, the activities planned by the French and South African investigators for the total period of the project.)

| Work Plan for Research Activity | Location of Research Activity |            | Proposed Days |      |       |      |
|---------------------------------|-------------------------------|------------|---------------|------|-------|------|
|                                 | Institution/<br>Country       | Department | Start         |      | End   |      |
|                                 |                               |            | Month         | Year | Month | Year |
|                                 |                               |            |               |      |       |      |

**Explanatory Remarks**

**PART VI - BUDGET DESCRIPTION**

**Instructions:**  
 Separate budgets should be prepared for the French and South African sides of the project.

**BUDGET DETAILS FOR SOUTH AFRICAN INVESTIGATOR (in Rands)**  
**BUDGET DETAILS FOR FRANCE INVESTIGATOR (in Euros)**

**1 Materials and Supplies**

| Description | Cost in:             |                      |
|-------------|----------------------|----------------------|
|             | 1 <sup>st</sup> Year | 2 <sup>nd</sup> Year |
|             |                      |                      |
|             |                      |                      |
|             |                      |                      |
|             |                      |                      |

**2 Travel and Subsistence**

| Description      | Breakdown in Costs in: |                      |                                  |
|------------------|------------------------|----------------------|----------------------------------|
|                  | 1 <sup>st</sup> Year   | 2 <sup>nd</sup> Year | No of Days<br>(Subsistence only) |
| Domestic travel: |                        |                      |                                  |
|                  |                        |                      |                                  |
|                  |                        |                      |                                  |
|                  |                        |                      |                                  |
| Foreign travel:  |                        |                      |                                  |
|                  |                        |                      |                                  |
|                  |                        |                      |                                  |
|                  |                        |                      |                                  |
| Subsistence:     |                        |                      |                                  |
|                  |                        |                      |                                  |
|                  |                        |                      |                                  |

**BUDGET FOR THE WHOLE PROJECT (FRANCE & SA) IN EUROS AND RANDS****Principal Investigator - France**

|                        | First Year | Second Year | Total |
|------------------------|------------|-------------|-------|
| Materials and Supplies |            |             |       |
| Travel                 |            |             |       |
| <b>TOTAL (Euros)</b>   |            |             |       |

**Principal Investigator - SA**

|                        | First Year | Second Year | Total |
|------------------------|------------|-------------|-------|
| Materials and Supplies |            |             |       |
| Travel                 |            |             |       |
| <b>TOTAL (Rands)</b>   |            |             |       |

**3. OTHER SOURCES OF SUPPORT****3.1 Is this research currently being supported by other sources?**

|            |           |
|------------|-----------|
| <b>YES</b> | <b>NO</b> |
|------------|-----------|

If yes, please indicate the sources, amounts and periods of support.

**French side:**

**South African side:**

3.2 Has this project been submitted to other agencies for financial support?

|     |    |
|-----|----|
| YES | NO |
|-----|----|

If yes, please indicate which agencies, and when.

**French side:**

**South African side:**

3.3 If this project has received support from other sources in the past, please list any rights and obligations of the grantor still in effect. If necessary, you may be requested to supply the relevant contracts.

**French side:**

**South African side:**

**PART VII - BIOGRAPHICAL AND PROFESSIONAL INFORMATION**

**1. Principal Investigator - French**

This resume should be completed by the Principal French Investigator whose name appears in Part 1, Item 6.

|               |  |
|---------------|--|
| Title         |  |
| First Names   |  |
| Family Name   |  |
| Nationality   |  |
| Year of Birth |  |

**Resume** (Relevance of the researcher's professional background to the proposed research).

In addition, please enclose an abbreviated curriculum vitae which should include the following:

1. Academic and professional training, including names of institutions, years of study, degrees and diplomas.
2. Academic and professional experience, including names of institutes and companies, role and period.
3. Research areas (detailed areas of research in which the researcher has been involved).
4. Publications and patents (during last 2 (two) years).
5. Any additional detail which may assist in evaluating the professional background of the researcher.

**2. Principal Investigator - South Africa**

This resume should be completed by the Principal South African Investigator whose name appears in Part 1, Item 6.

|               |  |
|---------------|--|
| Title         |  |
| First Names   |  |
| Family Name   |  |
| Nationality   |  |
| Year of Birth |  |

**Resume** (Relevance of the researcher's professional background to the proposed research).

In addition, please enclose a curriculum vitae which should include the following:

1. Academic and professional training, including names of institutions, years of study, degrees and diplomas.
2. Academic and professional experience, including names of institutes and companies, role and period.
3. Research areas (detailed areas of research in which the researcher has been involved).
4. Publications and patents (during last 2(two) years).
5. Any additional detail which may assist in evaluating the professional background of the researcher.
