South African Square Kilometre Array Project
Undergraduate and Honours Bursary Programme

Call for applications for bursaries for 2015

The following students are eligible for an SKA SA undergraduate or honours bursary

1. South African citizens ONLY.

2. Students who wish to study, or are studying, towards a Bachelor of Science degree, majoring in Physics AND Mathematics, at a South African university.

3. Students who wish to study towards a Bachelor of Science – Honours (Astronomy / Astrophysics) degree at a South African university; and who majored in Physics AND Mathematics at undergraduate level.

4. Students who wish to study, or are studying, towards a Bachelor of Engineering degree (Electronic Engineering ONLY), at a South African university.

5. Students who have achieved a minimum C in mathematics and science in Grade 12, or a minimum 60% for major subjects at undergraduate level.

6. Students who intend to pursue postgraduate research in radio astronomy, or in an engineering discipline relevant to radio astronomy.

Closing Date for Applications: 15 August 2014

Complete an application form at https://nrfsubmission.nrf.ac.za/

NOTE: Students who wish to study towards an honours degree through the National Astrophysics and Space Science Programme (NASSP), must apply directly to NASSP, and NOT through the SKA SA. See: http://www.star.ac.za/
