1. Introduction

This document serves as a guideline on how to complete the online application for the Thuthuka Funding Instrument. An understanding of the application process is critical to successfully submitting your application. This guide provides an overview of the application process and funding guidelines.

This document should be read together with the attached Thuthuka Framework to the current call. The Framework will provide all the detailed information about the Thuthuka Funding Instrument including eligibility criteria, funding principles as well as the review scorecard.

2. Registering and accessing the system

The application must be completed on the online system: <https://nrfconnect.nrf.ac.za>, using the ORCID (Open Researcher and Contributor ID) credentials.

If not registered on ORCID, click Register now and follow the steps. Continue with the ORCID registration as prompted. If users are already registered on ORCID, they must sign in using one of the following options:

1. ORCID ID
2. Email address linked with your ORCID profile

3. GMAIL account linked with your ORCID
4. Facebook account linked with ORCID

4.1. Sections of the CV

The CV includes the following sections:

4.1.1. Career History

- The Thuthuka funding instrument awards are limited to **academics** and **researchers**, with academic and/or joint academic and administrative professional appointments, at **NRF recognised public universities, Science Councils and other public research institutions** as recognised by the NRF.

- The term “academic” relates to lecturing duties as part of their job. If any of the following “positions” (current career) are indicated under the Career Profile section of your CV, your application will be deemed ineligible:
 - Doctoral student
 - Postdoctoral fellow
 - Lab technician
 - Coordinator
 - Administrator
 - Research Fellow
 - Tutor

- Applicants must be employed at the institutions on a full-time permanent or full-time contractual basis. If the applicant is appointed on a full-time contractual basis, the appointment date must extend to cover the duration of the grant.

- Female applicants that are appointed on a fixed-term half-day appointment to accommodate family responsibilities are eligible to apply. This is limited to women raising children of four (4) years of age and below. A copy of the child’s birth certificate should be included in the online application. In the case of a contract, the appointment must extend for the duration of the approved three (3) year funding cycle.

4.1.2. **Qualifications / Certifications**

PhD track

- Master’s degree should be the highest qualification.

- If the Master’s degree is “in progress”, then the date of completion should be before February 2023

- Applicants who received previous freestanding and/or grantholder-linked doctoral scholarships are not eligible to apply for further funding under the same level.

Post-PhD track

- Applicants should have obtained a Doctoral degree no more than five (5) years prior to the date of first application.

- If the Doctoral degree is “in progress”, then the date of completion should be before February 2023. *Please include the Doctoral degree under this section and indicate the anticipated date of completion.*

NRF Rating track

- Applicants should have obtained their Doctoral degree no more than eight (8) years prior to the date of first application.

4.1.3. Research Expertise

Select the relevant primary research field, secondary research from the drop-down list. To search for a field of specialisation, please start typing any part of the word in the appropriate space.

4.1.4. Research Outputs - Primary and Secondary Outputs and Patents

Click on **Research Outputs Menu** to select the relevant output type.

Should the outputs have been Synched with NRF Submission, a list of outputs will be available for editing or deletion.

4.1.5. Student Supervision

This section is for capturing the student supervision track record.

5. Navigation and Controls

5.1. Drop-down List Control

Click on the arrow on the drop-down to see a list of options. Then click on the relevant option(s) to select.

5.2 Upload Control

Click on the **Attachment** icon to upload required document(s).

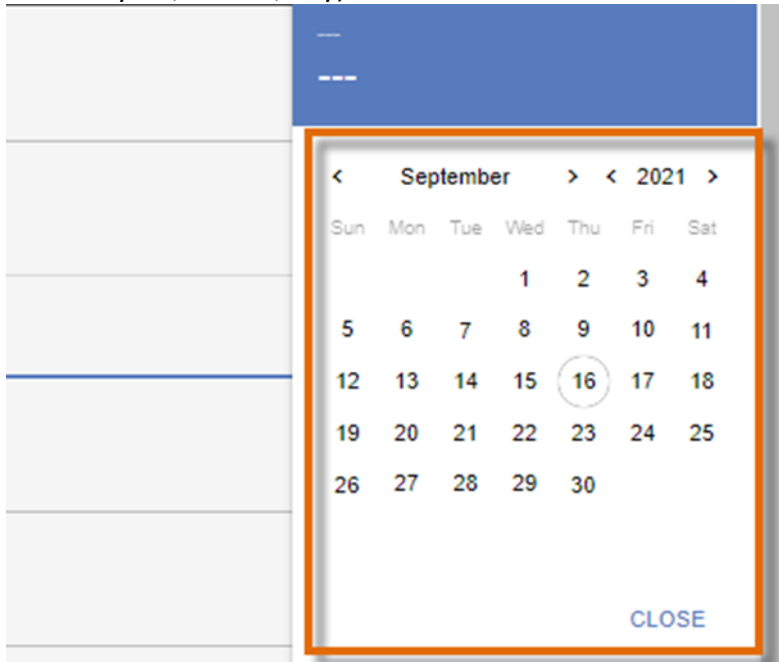

Click here to upload the relevant document *

5.3 Calendar Control

Click on the **Calendar** icon to select the date, where a date is required.

A full **Calendar** will be displayed to allow for selection of the relevant date (follow the sequence as follows: year, month, day).

5.4 Toggle Control

Toggle to indicate **No**.

Toggle to indicate **Yes**.

Are you disabled in any way? 

Please make sure that the toggle has fully marked no or yes based on your selection. Toggle not fully selected will not allow the section to complete.

6. Creating the application

An application can be created from the **Home/Landing page** or from the **My Applications** menu.

Create Application from Home/Landing page

The Funding Opportunities listed under your profile will be those that the applicant might be potentially eligible to apply for based on the information captured under the CV section.

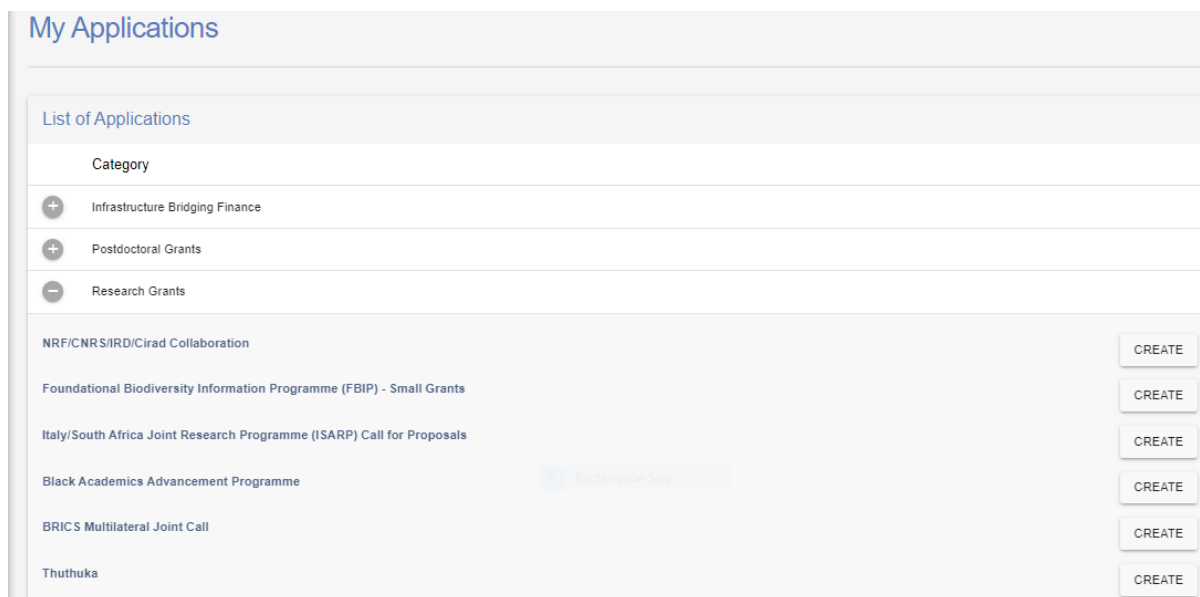

Click Apply on the funding call for which you are applying to create an application.

To continue working on an application, click **Edit** on the funding call you want to edit.

The screenshot shows a user interface with a sidebar on the left and a main content area. The sidebar contains navigation links: Home, Profile, MY APPLICATIONS, Applications, MY CV, Career History, Qualifications/Certifications, Research Expertise, Research Outputs, Student Supervision, and Sign Out. The main content area is divided into two sections: 'My Applications' and 'Funding Opportunities'. The 'My Applications' section displays three cards for existing applications: 'Black Academics Advancement Programme', 'Thuthuka', and 'Research Development Grants for nGAP Scholars'. Each card includes the NRF and RISA logos, the application title, ID, category, and date applied. A red box highlights the 'EDIT' button on the 'Black Academics Advancement Programme' card. The 'Funding Opportunities' section displays three cards for available funding: 'Infrastructure Bridging Funding', 'NRF Postdoctoral Grants', and 'NRF/CNRS/IRD/Cirad Collaboration'. Each card includes the NRF and RISA logos, the funding title, and category. A red box highlights the 'APPLY' button on the 'Infrastructure Bridging Funding' card.

Create Application from My Applications Menu

Click the expand icon next to the relevant Category to see the Calls associated with the Category. Then Click **Create** next to the relevant Funding Opportunity to create a new application.

Sections of the application

- Please note that some sections (e.g Personal Details, CV Details) will be pre-populated, if they were completed on Update Profile and MY CV sections.
- Most application screens have application specific instructions to help you work through the section. Please read the instruction carefully before completing the section.
- Completed sections will be indicated by a green tick on the main menu, while incomplete sections will have a red cross. Please ensure that you press the “save” button after completing information in a section, before returning back to the application.
- All sections marked with a red asterisk (*) are compulsory sections in the application. These sections must be completed for the final submit button to be active.

6.1 Additional Information: Research Grants (Thuthuka)

Please indicate the Thuthuka track (PhD, Post-PhD or NRF Rating) you are applying for. If the incorrect track has been indicated, the application will be rejected without review.

The screenshot shows a web form titled "Additional Information: Research Grants (Thuthuka)". On the left is a navigation sidebar with "Home", "Profile", "MY APPLICATIONS", "Applications", "MY CV", and "Career History". The main form area has a "Track *" dropdown menu. The current selection is "PhD". A tooltip is open over the dropdown, showing three options: "NRF Rating", "PhD", and "Post-PhD". The "PhD" option is highlighted. To the right of the dropdown is a "Rectangular Snip" watermark. At the bottom right of the form are "CANCEL" and "SAVE" buttons.

6.2 Details of Research

The details of research section is one of the most important part of the application and is looked at during the review process (please refer to the detailed review scorecard in the Framework document). This section is made up of multiple sub-sections that must be completed with as much detail as possible. Character limitations are indicated in each sub-section.

6.3 Attachments

The following attachments are required for Thuthuka:

- Applicants with a joint academic and administrative professional appointments **must** attach proof thereof. This can be in the form of a letter from the institution confirming the joint appointment.
- Female applicants that are appointed on a fixed-term half-day appointment to accommodate family responsibilities are eligible to apply. This is limited to women raising children of four (4) years of age and below. A copy of the child's birth certificate **must** be attached.
- Applicants in the PhD and Post-PhD tracks over the age of 45 **must** submit a motivation as to why they were not able to achieve their doctoral qualification or research capabilities by the stipulated age.

6.3 Ethical Clearance

Indicate if ethical clearance is required for your research and if it has been obtained already.

*Note: If your application is successful and if ethical clearance is required for your research, then the ethical clearance certificate must be sent to the NRF together with the signed Conditions of Grant. Without this certificate, funds cannot be released.

6.4 Reviewers – Possible Reviewer and Excluded reviewer

Please indicate potential subject experts who would be suitable to review your application. A minimum of six (6) reviewers are required. Applicants are given the opportunity to identify reviewers (not exceeding three) who the NRF should not approach. Please use the appropriate 'tab' to enter relevant information.

You can search for the reviewer on the system by typing part of their email address.

Possible reviewer Excluded reviewer

Search for the email address or part of the name of the reviewer

5 or more characters

Should a reviewer not be found, please select the not found tab to add the reviewer details.

6.5 Preferred Panel

Indicate the most suitable panel that your project should be evaluated under.

6.6 Requested Financials

Please refer to the Framework for more information about the Thuthuka granting rules, financial control and categories supported. Please note that some of the running expenses sub-categories listed under the template are not supported under Thuthuka.

****Please include all financial details (i.e., budget breakdown) in the space provided in the application. Do not add attachments with the required detail to the application. This will not be looked at during the funding decisions process.**

****Only indicate the NRF contribution under this section.**

The eight (8) financial sub-categories supported by the NRF and the maximum amount that will be awarded per sub-category are indicated in Table 1. The NRF will award a maximum total amount of R100 000 (one hundred thousand rand) per annum for running expenses. The applicant's institution must match the NRF awarded amount in a 1:1.

Table 1: Financial Sub-categories supported and maximum amounts funded.

No.	Category of Support	Maximum amount (NRF contribution)
Equipment		
1.	Research equipment	R50 000 maximum per annum
Running Expenses		
2.	International conference	R20 000 per annum
3.	Local conference	R10 000 per annum
4.	Local Travel	R10 000 per annum
5.	Hardware and Supplies (Materials and Supplies)	R70 000 per annum
6.	Research / technical / ad hoc Assistants	R20 000 per annum
7.	Visiting Scientists	R50 000 per annum
8.	Science Engagement	R10 000 per annum

The Equipment sub-category supported under Thuthuka is the Research Equipment.

Note: Applicants must include a detailed and well-motivated budget for each of the three (3) years in the three (3) year grant application. The budget for each of the three (3) years will be approved at the time of the grant award. Applications with two (2) or one (1) year budget requests will not be considered.

Budget requests and motivations that are NOT consistent with the permissible funding categories will NOT be considered in the Funding Decision process. Budget requests must be well motivated

according to the requirements of the Thuthuka Funding Instrument. Budget requests that are not well motivated according to the requirements of the Thuthuka Funding Instrument will not be approved for funding.

For more information on the **Financial Categories** supported under Thuthuka, please refer to the Thuthuka Framework document.

6.7 Other sources of funding

To realistically gauge the full extent of the proposed research, details of other sources of financial support for the research must be submitted in the application budget. This in no way compromises or disadvantages the proposal; instead, knowledge of the commitment and contribution of other contributors (where applicable) serves to better understand the feasibility of the proposed research project.

If there are no other sources of funding, please select “add” under the section, then select “N/A” from the dropdown list under “source”. You can then enter 0 values for the different years.

6.8 Student Support

Please indicate if any student you envisage supervising through this project. Click edit next on the level of study and enter the number of students per level (Honours, Master’s and/or Doctoral) in each year. Then add the number of students for each year on the pop up screen. Click *No students will be supported* if there will be no students supported.

6.9 National Infrastructure Platforms

Indicate the infrastructure platform (i.e., planned equipment or data) that will be accessed outside your own institution during the grant.

6.10 Science Engagement

List any science communication or public engagement activities that will take place during the grant.

6.11 Application Support Input

6.11.1 Institutional support

This serves to confirm the institution’s commitment to support the applicant within the context of the Thuthuka Programme. This support is a mandatory condition for an award to be made and constitutes part of the institution’s contractual obligation to the NRF with regards to grant recipients in its employ.

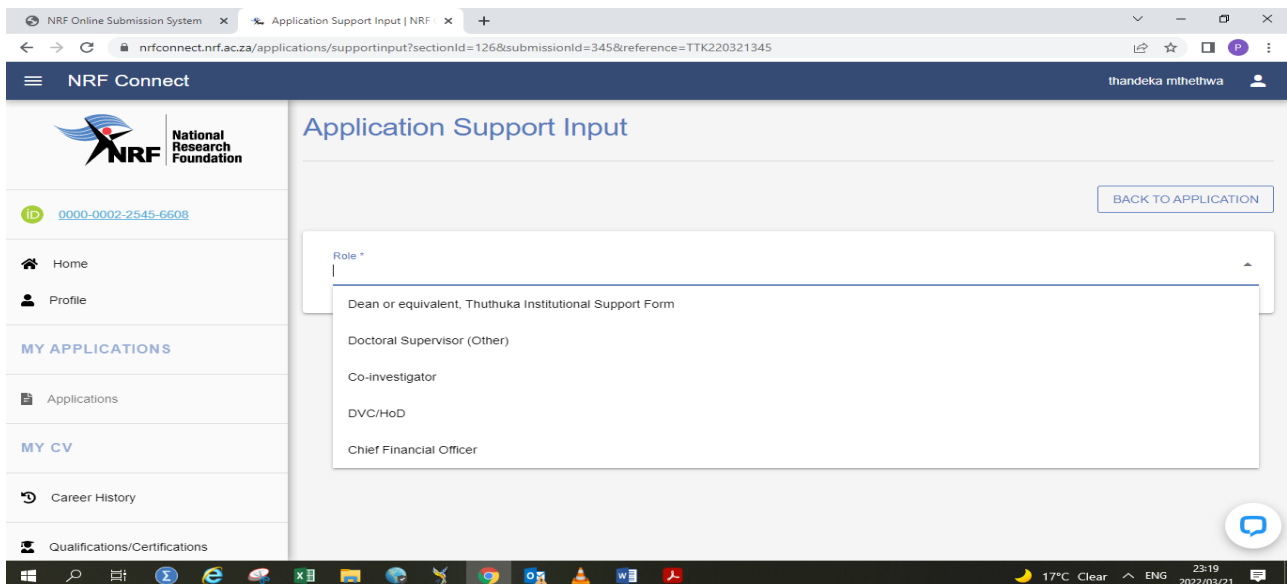

The Institution hereby confirms that -

- It is able and willing to provide the necessary infrastructure to allow for the proposed

research to be conducted successfully within the timeframe of the grant's operation;

- In the case of a grantholder requiring academic supervision as part of the conditions for receiving the grant, such supervision is available and will be provided to the grantholder;
- In the case of the proposed research project being funded, and requiring institutional approval of any kind, such approval will be duly granted; and
- In the case of an applicant being awarded a grant, he or she will be granted leave and/or assistance as required and upon formal request, to allow for the periodic conducting of fieldwork or study associated with the funded research project.
- The institution is committing to co-funding for running expenses of the approved grant amount at the ratio of 1:1.

Once the application has been submitted, **an e-mail will be generated requesting the Dean/Equivalent to complete the form electronically.** Please ensure that they are aware you will be submitting the form for them to complete and submit. The form is compulsory and if not submitted, the application will not be considered for funding.

6.11.2 Doctoral supervisor

Applicants under the PhD track must add their supervisor's details in this section. Once the application has been submitted, an e-mail will be generated requesting the supervisor to complete the reference report electronically. Please ensure that the contact details provided in the application are correct.

*The supervisor's report is compulsory and without this the application will not be considered for funding.

There are NO compulsory references required for applicants under the Post-PhD or NRF Rating tracks. Applicants can add the details of any academic referees who may be able to comment on their work.

6.12 Participating Members

Add the details of additional people e.g., collaborators, who will be involved in the research project.
