	Contact person(s) and contact details	Karin Örneby Senior research officer karin.orneby@formas.se +46 (0)8-775 40 22 +46 (0)73-432 16 78
	Total budget available (local currency and Euro amounts)	15 million SEK (approx. 1.5 million Euro)
	Amount that individual projects can request	3 million SEK (approx. 300 k Euro)
	Permitted project length (in years)	2 to 4 years
Eligibility	Eligible Institutions:	Grants for the Swedish partner in this call may only be administered by a Swedish university, university college or public agency that meets Formas criteria for administrating organisations.
	Eligible Programmes/projects:	The Swedish main applicant must be the PI of an on-going or completed Formas research grant with the duration of no less than 3 years and completed 2017 or later.
	Project location requirements	Applicants need to state in which country contexts the project will be implemented. This can be in Sweden as well as all participating countries represented in the application or in selected country contexts only.
	Eligible applicants and institutions	The Swedish main applicant must be a researcher, who holds a PhD before the date of the application submission deadline and affiliated to a Swedish university, university college or public agency that meets Formas criteria for administrating organisations.
	Eligible costs and further information on funding conditions	Costs that qualify for funding follows Formas general guidelines for funding . The funds may partly be used to finance expenses for Swedish stakeholders or consortium partners outside Sweden. If funds is to be transferred from the administrating organisation to another organisation or be used to purchases services, it must be done in accordance with the administrating organisation's guidelines.
	Other eligibility considerations	Based on the call topics, Formas fund projects within the areas of environment, agricultural sciences and spatial planning.

		<p>Swedish PIs in projects recommended for funding will be invited to submit the same application to Formas (using the web-based system Prisma). Information about the submission will be provided in the invitation.</p> <p>Formas' Scientific Council will make the final decision about the PIs funded by Formas.</p> <p>Follow-up of the Swedish part of the project will follow Formas guidelines and deadlines.</p> <p>Results from research funded by Formas must be published with open access (read more about Formas requirements for Open access to research results and data). The projects that are granted funding must develop a data management plan for the data produced in the project. By signing Formas' grant terms and conditions, the researcher certifies that a data management plan will be available before the research begins and that it will be maintained.</p>
