

# SUSTAINABILITY SCIENCE DAYS

## The National Research Foundation invites you to Participate in the SRI2024 Africa Satellite Event

The Future Earth Africa Hub, supported by the National Research Foundation (NRF) invites you to participate in the Sustainability Research and Innovation Congress Africa (SRI2024) Satellite Event. The SRI Africa Satellite Event 2024 will build on the success of SRI Africa Satellite Event 2023, which convened over 320 African experts from more than 34 countries and hosted more than 40 sessions and six plenaries over three days.

The SRI 2024 Africa satellite event will be a mixture of cross-cutting plenary sessions, parallel thematic sessions, and live discussion tables that showcase the richness of African perspectives in sustainability science and innovation and bring together research and innovation communities to share successes, build collaborations, and work across disciplines and sectors to support a global transformation to sustainability in Africa.

**Venue:** Southern Sun Elangeni, Durban South Africa

**Date:** 21-24 May 2024
